LACIE

I had just graduated college, not exactly sure what do with my life. Admittedly I needed money when I invited over my manager from the bar. Initially, I worked at the diner for "drinks and a movie", which, in the dating world, means "small talk before 69'ing." I really wanted to have sex with him, but we shouldn't have done it right there in the diner. We did have fun, thgoiufgh at the diner and I made him clean up afterwards.

In one smooth motion Lucy lifted my skirt over my waist; she cupped my pussy with her hand. I wanted her to touch me. And when she whispered in my ear to lower my panties; I simply obeyed her. With her tongue in my mouth, I lowered my panties to my knees. A second later we were licking each other. I could only reciprocate the favor and we played away the afternoon.

To the editor,

I know Dillion looks like a sweet girl next door type, but I know she's a dirty girl who needs to be cleaned up. I want to soap her up and wash her from head to toe, front and back. Then I'd lower to my knees and take her wet pussy into my mouth.

I want to lick her hard clit, lightly grazing it my teeth, thrusting

From Damon in Detroit...

This fall I went to Ann Arbor to visit my girlfriend at college. She decided not to go home for Thanksgiving, so I went to visit her. She's in her final year and has done very well. She lives off campus with a couple other roommates in a large house.

So, my girlfriend and I were watching a movie, and one of her roomies came into the room and plops down on the sofa with us. A few minutes into the movie she moves real close to my GF and starts rubbing on her legs and chest. Then I see her ull my girlfriend's boobs out of her top and starts licking and sucking on them. My girlfriend did not complain and that confused me, and turned me on a bit. I didn't say anything there on the spot but later that day, we were getting ready for bed, watching another movie and my girlfriend started jacking me off when the same roomie came in and gets under the covers with us.

You could see her hand going up and down under the covers, so this girl reaches over and grabs my cock, too. We immediately started rubbing and kissing on each other, I pulled her thong off to the sid,e and even though she was soaking wet, I didn't know if I was going to get into her pussy.

Then my girlfriend starts fingering her roomie's slit. Then she started riding me, and her roomie hopped on my face, it was fucking amazing. The two then switched places with my GF now on my face and I eat her and lick her sweet, wet pussy. Then I feel her roomie grab my cock and guide it into her pussy. She starts riding me so hard, we both came after a short while.

When she got off, my GF sucked my cock, licking her's and roomie's cum off of it. The three of us fucked the rest of the night. It was the best Thanksgiving ever.

From Ethan in Manhattan...

My name is Ethan and I'm in a very fortunate situation I wanted to share with you. I have a French lady friend that I've been going out with for the last six months. We met at a coffee shop over iPads. She had spilled hot coffee on hers and was in a bit of a panic because she had to email her mom in Lyons by nine pm. I offered mine and we've been friends ever since. We saw each other off and on for a couple months before becoming lovers.

I cannot (but I will) tell you how wonderful she is because she says I make her float in space (thank you Sade). What is incredibly special about her is her passionate desire for anal sex. She gets very excited when that opportunity presents itself. She lays on the bed and raises her ass in the air with her legs spread wide and nice round cheeks slightly spread. I can feel the heat from her body just steaming from her hot hole eager with anticipation of my stiff hard tool entering her.

At this point she can hardly contain herself and I can see her moist wet hole

puckering up for my cock. She starts to whimper and urges me to take her now. I hesitate for effect and then slowly insert my a finger in her ass to test how really ready she is for me. She is very wet, she moans with pleasure and pushes back to have me completely inside her. I slowly move back and forth with my finger then I quickly insert another finger to ready her for my thick cock. She can hardly wait for the penetration she desires from my cock. I slowly reach around hers legs to feel her pussy and feel the desire that has been building up for her willing perfectly round ass.

By now, I find her pussy lips completely swollen and drenched with juice from the excitement she is about to receive. I take my fingers and begin to fuck her pussy with them. Her lips are quivering and actually sucking my hand in closer as I continue to play with her wet hole. I only do this for a instant as I take aim with my cock and steady it for my intended target, her waiting ass.

In one complete motion I meet and insert my hard pole and drive deep into her waiting flesh and slam deep inside her with no resistant but wet juice and her sucking ass muscles around my cock. She lets out a loud moan of pleasure and whimpers as I begin to work my meat pole in and out of her ass.

She can no longer wait for me and starts to impale herself on my cock harder and harder. She wants to be fucked hard and feel me cum deep inside her now. She is so wet I can hardly keep from falling out as I repeatedly pound her opening again and again.

I can feel her inside tightening up and I know she will explode very soon with an orgasm that she has been waiting for. By now she is floating in space with me fucking her ass and it is all about her excitement as she wants to cum on my stiff flesh. Her back is arched back with her boobs facing up.

Her nipples are rock hard and I begin to pinch them to release yet another pleasure sensation throughout her hot, sweaty body. She starts to buck up and down on my cock and completely takes over my own body as she sucks me in and braces for the hard wave of orgasm about to explode inside her beautiful brown hole.

Nearly in tears from emotion, she suddenly stiffens her body and explodes with an orgasm and her asshole is now sucking my cock looking for my load to join her own excitement. Her orgasm grips my cock and she will not be denied, I complete my penetration of her and pound her until I release my milky hot load deep inside her as I feel her quivering body accept my pleasure. I collapse on her steamy body as I let my cock empty every bit of my essence inside her.

my tongue deeper into her pussy. Meantime, she is reaching with her hand to cup my balls and lightly massage them and then she takes my whole cock into her mouth.

I'm grasping her head, and thrusting my cock into her mouth, gently fucking her face. Meantime, I'm sliding my hand past her pussy to her ass, gently rubbing her ass passage as I thrust into her mouth.

I'm now inserting a finger and rubbing just inside the rim as my hands grip her head a little firmer. Now

Slowly my cock is released, soaked and tired, we wrap ourselves into a blissful union, catching our senses and thinking about the next time we can take this fantastic trip together.

From Horny in Texas...

Last Friday night I had just gotten home from a friend's house, was kind of drunk, laid in bed, and was almost asleep when I got a phone call from another friend asking if he could come and snuggle. I said maybe and he said he was coming now. Some fifteen minutes later I get a text message saying "3 some?" I text back "WHAT?!?"

Next thing I know, two of my guy friends turn up at my door and I answered wearing my Oakland Raiders oversize shirt and panties. They both came in and started taking their clothes off once they got to my bedroom. I laid down in bed trying to sleep. They both crawled into bed with me and began touching me. I moaned and really wanted them to keep going.

They did and soon I was naked with them. I could feel their cocks rubbing on me and I reached down to stroke them. I had hands touching me all over and soon enough I was dripping wet. I sat up and got on all fours, one of them started pounding me from behind and I had the other one's cock in my hungry mouth.

It felt amazing to have two cocks in me at once. We changed positions and I sucked the first one until his cum was running down my throat. Then the two guys switched positions and I could taste my own juices on the new cock as I licked him. He finished as well and I swallowed his, too. Fortunately for me, they decided that I should cum as well, so one got down on his knees and started licking me while the other played with my breasts and kept kissing me. . We fell asleep; woke up; and watched the sun come up. We were all ready for round two.

my finger's gently fucking her ass and my cock's deep in her mouth as the hot water hits my back. I cum first, then you cum immediately afterwards and it id louder than the shower. Not realizing how it took it out of us, we gave ourselves a minute to catch our breath. Then you wrap your lips around my tongue for one final kiss.

– Gene, Raleigh

I bit my lip as I felt my body shake. I squeezed my nipples together as I grinded further onto his ridiculously hard cock. He pumped faster and faster until my hips were bucking into the air. Finally, I collapsed onto the bed my body still trembling from the orgasm that washed over me. I had my best night's sleep that night, and when I awoke he was still there.

CAPRICE

My boyfriend and I would enjoy watching porn together. One day, I decided to put on some lesbian porn. The movie was great with beautiful women. We were laying on the couch together but he didn't touch me until a good half hour into the movie. He kissed my neck and then unfastened my bra. He lightly touched my nipples and I was so excited that I exploded into a huge orgasm right then and there! Oh, and we fucked, too!

she was trouble enough...

yes, but worth every single moment!

The telemarketing company he worked for wasn't exactly a breeding ground for dating and finding sexual partnerships. The few women that Nick actually got up the nerve to talk to didn't seem to think that a mid-level marketing manager was a stud worth engaging.

New to the group this year was Irena. She transferred from a competitor in another city. For the last four months she was assigned to his department, in charge of coordinating focus groups for the company. They butted heads a couple times, but he saw that she was a worthwhile employee and treated her with respect. In return, even though it took a while, she saw that he knew his stuff and was encouraging her to be her best. After a particularly difficult session, Irena came through like a champ. He helped her where he could, but whatever problem came up, she solved it, whatever question was asked, she answered it. It had been a long day and he asked her if he could buy her dinner for doing such a great job. Wearily, she agreed and thanked him, saying food was the last thing on her mind and didn't realize how hungry she was.

They went to a nice homey Italian restaurant and she had lasagna while his was a baked ziti, and a couple bottles

of wine. They had a great conversation and started flirting a little. Compliments go a long way in softening a woman's defenses. During dinner, she would touch his arm, his leg, his cheek, and while he admits he's no Brad Pitt, he has learned to use what he have. He just hadn't used it much. After dinner, she cooed that they could go back to his place. He told her he wasn't expecting company and it might be a bit messier than she was used to. Apparently that didn't matter too much, but he was sure that a lot of what she said was because of the wine earlier.

They head back to his place and Nick manages to put the key in the door and opens it. Before Nick had realized what was happening, Irena had entered his house and was looking around. Nick was truly shocked. She looked around the room, then helped herself to a seat on the sofa. She loosened her jacket and asks Nick for a drink. He retreats to the kitchen and returns to find her roaming around the living room checking out his stuff.

Irena said she wanted to freshen up and asked where the bathroom was. He motioned down the hallway, the hallway that went past his bedroom, with his door wide open. Nick immediately thought of the adult magazine wide open on his bed and wondered if she had seen it. He went into the bedroom to clean up, but just as he did Irena comes in, too. He sees her notice it and the immediate flush of red on his cheeks evoked a smile from Irena and answered his question. She sat on the edge of the bed and asked what's on TV. After a rushed an 'its okay,' Nick edged to his bed, sat down, and quickly grabbed his TV remote control with one hand while folding his magazine closed with the other. She leaned back on her arms on the bed. The television turned on to one of those dating shows where the cocky superbodied men make jerks out of themselves in front of the stunning superbodied girls who didn't seem to want to settle for average guys like Nick.

Nick and Irena then looked as if seeing one another as members of the opposite sex for the first time. He with the tussled curly hair, brown eyes, and slim body; she with the full lips and still fuller hips and boobs. Simultaneously they spoke, 'When was the last time you were out on a date?' then giggled and blushed as they realized that they were both thinking the same thing. Neither of them had thought of the other as someone who would date.

Suddenly Irena tells Nick to stand up and take off his clothes. Irena silently and slowly appraised him from head to toe. Nick stood uncomfortably as she gazed at his wide shoulders, then down to his chest and flat stomach. She then bowed her head to look at his bare feet and slowly gazed up his legs. When he saw her eyes fixate on his crotch, it took every bit of Nick's willpower not to feel the stirrings of an erection. He lost. His penis throbbed and pushed against the opening of his shorts. He groaned in defeat and embarrassment as Irena started a small smile, yet continued to stare at his growing member. Nick didn't know what to do.

While keeping her gaze fixed on his crotch, Irena, still sitting on the bed, reached up with her right hand and firmly began to rub Nick's cock right through the thin layer of fabric of his boxers. Standing up right against him, she took his face in her hands, and gave him a firm lingering kiss. Her arms slowly snaked around his neck; her breasts pushed the fabric of her bra and blouse into his ribs. In turn, Nick felt his boner poke its way onto Irena's stomach.

Taking further control, Irena pushed down on Nick's shoulders until he was sitting on the bed. He managed to get her blouse and jeans off without much trouble, but he had difficulty unsnapping her bra, especially since Irena's hand was still busy tugging at the lump in his shorts. She then reached behind with one hand and undid the bra clasp with a quick pinch of her fingers. She turned around to face Nick. Now it was his turn to stare. Her breasts were very full and firm. She had full thighs, firm calves, and purple polish on her toes. He slowly slid her panties down, and in doing so noticed with surprise that her pussy was bald and smooth. It was also glistening with her juices.

Irena put one hand on each of his shoulders and pushed him down on the bed. "You won't need this tonight." she said as she held up the magazine. They laughed as she sat on the edge of the bed in front of him. She worked Nick's shorts down over his erection and down to his ankles, then he kicked them off and stood before her with his hands on his hips,

BLAIR-NTS-12

uneasy to touch her. Reaching around to grab his ass with both of her hands, she opened her mouth wide, then clamped her sweet full lips around the head of his cock. A low groan escaped Nick's lips. All of his inhibitions faded as his newfound lover's head began tantalizingly bobbing back and forth over his rod. His hands found their way to the back of her head and began pushing while trying to guide her to a faster pace. But Irena would have none of it.

She used her tongue as well as her lips over the length of his cock's long shaft. The slurping sounds echoing off of the walls of the bedroom were driving Nick over the edge. Irena cupped and began to massage his balls. Nick's hips started to make fucking motions back and forth as he felt the cum rise through his shaft. Irena pulled her mouth away, leaving Nick's dick wanting to the point of ache. He had never remembered ever being so hard. She knew exactly what she was doing to him, guiding him through the sex like a puppet master. She lay back on the bed with one leg flat and the other bent and open. Her exposed pussy seemed to wink at him. Nick stared at the inviting slit for a moment. He hadn't realized just how pink and beautiful a woman's pussy could be before now. Seeing the contrast of Irena's glistening hole against the dark chocolate of her skin made his prick jump yet again.

He crawled onto his stomach until he was with oral reach of his target. His fingers spread her labia wide, then he pointed his tongue and touched the tip to Irena's clit. She came right then and there. Nick couldn't believe it. She moaned softly and thrashed, grabbed him with both hands in his hair and shoved his face into her pussy so hard that Nick could barely breathe. He kept his tongue glued to her clit however, and he could feel her inner walls pulsing and spasming crazily against his lower lip. With Irena's full-size thighs trying to squeeze his ears together and the shortage of air into his lungs, Nick found it truly amazing to realize that he still maintained a massive erection. When Irena's body went limp during the aftermath of her orgasm, Nick seized his opportunity to take control. He raised up on his knees, spread her still lightly twitching legs, and threw them over his shoulders. He saw no protest from Irena's eyes as they were still a bit glazed from the force of her climax. There was a moment of hesitation as Nick observed the contrast between the ivory of Irena's skin, and the slippery-looking pinkness of her love hole.

Nick then buried his dick inside of Irena in one long thrust. The penetration made both gasp with pleasure and Nick held his pose so that both of them could savor the feeling. Nick spread his fingers wide and filled his hands with her heaving breasts. He squeezed her beautifully hard dark nipples between his fingers. Irena arched her back off of the mattress to increase the friction, then reached up to play with his nipples in turn. This spurred Nick to fuck Irena so hard that the sound of his balls echoed off the walls of the room. Grunts and groans filled the air. The bed shook and rattled like an old model car. But neither of them cared about anything except the passion that they forged within one another.

Nick leaned his chest and shoulders forward so that his pubic hair started to grind against the hairless pussy and clit of his lover. The effect was awesome. Nick leaned forward further until his chest lay on top of Irena's boobs. He kissed her full lips passionately and slipped his tongue into her mouth while he pushed his cock as far inside her pussy as it would go. Irena held the kiss, moaning into Nick's mouth.

The rhythm of their fucking grew faster. Harder. Even more intense. Nick closed his eyes and gave three final thrusts. His back arched as he bellowed his orgasm into her. Her back arched more as she screamed and dug her fingernails into his shoulder. He shot load after load after load inside of her pulsing pussy. They both froze like statues as pure pleasure engulfed them. Nick made a quick wish to never have this moment end. After long moments, it finally did.

Nick slowly rolled off of Irena and onto his back, then closed his eyes again as he held her hand while laying shoulder to shoulder. When Nick awoke, she was gone and his room was dark. He sighed, trying to piece together in his mind the earlier events to make sure that he didn't just dream the entire wild affair. The next day at work, Irena came in a few minutes late. She smiled and said "Good morning." to him as she walked by, looked back and smiled..

It doesn't take much to get me all revved up now that I turned 18. I'm one of those girls that likes to move in the very fast lane. I need my man to be tough and strong, like my bike. Someone who isn't afraid to boss me around, in a good way. I've been a bad girl and so I'm gonna need a good man. If you're a good man, riding in the fast lane, and not afraid of some hot action, I'll suck your dick and let you fuck my pussy. We can even do it on my bike.

SPECTRUM

A year ago I was making pizzas outside of Naples. Today, I'm almost a super model in Miami Beach. That's quite a change for me. I was tanning topless on the beach looking at Mt. Vesuvius, when this guy came up to me with his friend filming everything. He asked me if I would like to come to party at the Grand Hotel. Well, I decided to go and met some interesting people there. Now I'm shooting nice photos, making adult movies, and eating more pizza.
